Welcome to the Cuckmere Community Bus! a new individual rural bus service promoted by East Sussex County Council and Sussex Rural Community Council in association with Southdown Motor Services Limited and operated entirely by voluntary personnel.

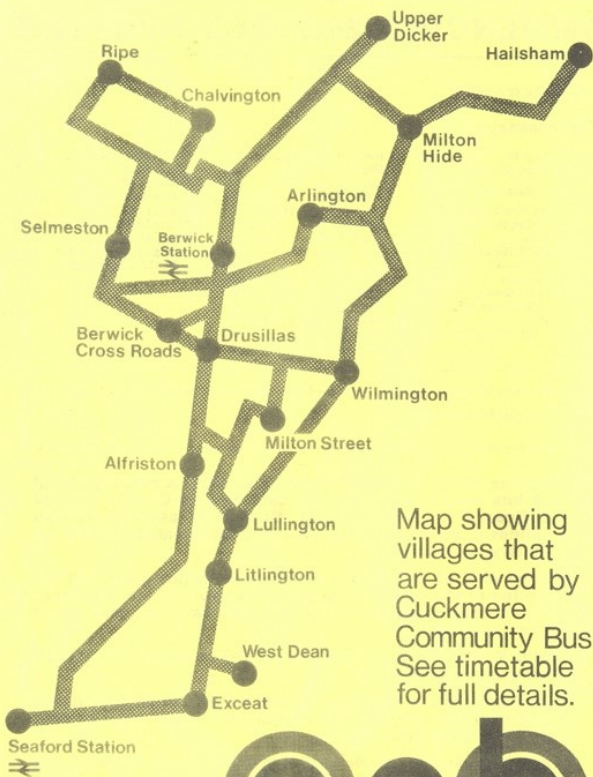

A great deal of enthusiasm and hard work has gone into the inception of this new service which as you will see, embraces a wide number of villages, most of which have had very few or no regular buses.

This is YOUR bus, a genuine community bus which has YOUR needs especially in mind.

Its success and continuance depends on you, so please support it, and may we wish you many happy and useful trips on your very own village bus service.

If you have any suggestions that you think may be helpful in the operation of this new service, please write to:

CUCKMERE COMMUNITY BUS COMMITTEE,
c/o SUSSEX RURAL COMMUNITY COUNCIL,
SUSSEX HOUSE, 212 HIGH STREET,
LEWES, EAST SUSSEX.
