TIMETABLE, ROUTE AND SERVICE REVISIONS FROM SUNDAY 28TH APRIL 2019 page 2

SERVICE 126 (Sundays & Bank Holidays): All journeys operate 30 minutes later so that the bus travels 30 minutes later than service 47 through Alfriston. Last journey from Eastbourne at 1800 no longer continues to Seaford and will terminate at Alfriston.

SERVICE 195 (Wednesdays): Service travels via Bodle Street between Rushlake Green and Windmill Hill in both directions. The section of route via Cowbee, Stunts Green and Herstmonceux is replaced by service 196 (see below).

SERVICE 196 (Wednesdays): New service to Eastbourne from Rushlake Green at 1002 (returns at 1418) and travels via Cowbee, Stunts Green, Herstmonceux (to replace service 195), Windmill Hill, Wartling, Pevensey, Pevensey Bay and Langney.

SERVICE H1 HAILSHAM TOWN SERVICE (Mondays, Wednesdays, Fridays & Saturdays): The first journey from Berwick and in Hailsham will operate 10 minutes earlier leaving Hailsham High Street at 0810 instead of 0820.

SERVICE H3 HAILSHAM TOWN SERVICE (Mondays, Wednesdays, Fridays & Saturdays): The first journey will operate 5 minutes earlier leaving Hailsham High Street at 0837 instead of 0842. The changes to Hailsham Town Services are because of exceptional early morning heavy traffic which disrupts journey times and has a knock-on effect for the rest of the day.
